Dear Neighbor:

In our region, the face of hunger is all around us. Philadelphia is the poorest of the nation's large cities, with a 24.5 percent poverty rate. Children in Philadelphia are especially at risk for hunger. Thirty-four percent of children in our city live in poverty. While there is much work to be done, our feeding program, located in your neighborhood, helps to alleviate hunger in our community.

Our program plans to participate in the **2022 Race Against Hunger** which is hosted by the Greater Philadelphia Coalition Against Hunger, to help programs like ours to raise funds that support our work and increase awareness about hunger in our neighborhood. This year, in a continued effort to keep everyone safe, the Race Against Hunger will be held as a virtual event from Friday, April 22, 2022 – Sunday, May 1, 2022.

We invite you to get involved in fighting hunger in our own neighborhood by sponsoring our Race team. It's simple. Just fill out the tear-off form at the bottom of this letter. Mail it with a contribution check to the Race Against Hunger, or you can give it to our agency's Race Team leader. Any amount is appreciated and, of course, tax-deductible. See the official Race contribution form to find out how to register, and to learn more about the event, should you and your employees wish to take part in the festivities.

Remember: Your interest and generosity will directly support our feeding program. Together, we can work to end hunger in our neighborhood.

Sincerely,
